

ОАО «СО ЕЭС»

Vth International Science and Technical Conference «Electric Power Engineering: viewpoint of the Young - 2014»

10 – 14 November 2014 in Tomsk, Russia

CONFERENCE OBJECTIVES – the development of scientific and creative potential of young researchers in the field of electric power engineering

CONFERENCE TASKS – presentation and discussion of most important and actual scientific research together with the practical achievements in the field of electric power engineering, development of scientific contacts between young engineers, postgraduates students and involvement of graduate students in scientific and research activities

MAIN TOPICS:

- Power system modeling and management
- Relay protection and Power system automation
- Monitoring and diagnostics
- Operation, market and innovative development of electric power systems
- Thermal and Nuclear power plants
- Power machine building and Fuel
- Thermal Physics and Heat engineering
- Distributed Generation and Renewables
- Staff management practices

PRELIMINARY PROGRAMME:

- **10 November** – Arrival
- **11 November** – Conference opening, Plenary session, Parallel sessions
- **12-13 November** – Parallel sessions
- **14 November** – Closing of the Conference

GENERAL MEDIA PARTNER:

DEADLINES:

Register www.eegm2014.enin.tpu.ru and submit the paper

September 30, 2014

Confirm the necessity of hotel booking

October 15, 2014

RESULTS OF THE CONFERENCE:

All submitted original version papers which satisfy the requirements and pass the review are to be published in Bulletin RNC CIGRE number 6

The selected papers will be published in the following magazines:

- ✓ «**Bulletin of the Tomsk Polytechnic University**» (Higher Attestation Commission list)
- ✓ «**Siberian Journal of Science**» (RSCI)

Partners of the conference also announce competitions for the best papers in several nominations. Winners of the competitions will be awarded by valuable prizes

CONDITIONS OF PARTICIPATION:

- ✓ **The participation of young engineers or students (under 35) as authors or co-authors of papers**
- ✓ **Official conference languages:** Russian and English
- ✓ **There are no Organizational Fees**

Accommodation: Organizational committee provides the booking of hotel rooms in Tomsk with taking into account the accommodation preferences stated by the participants in the application form. It is required to confirm the necessity of hotel booking by phone/fax +7 (3822) 563-787

CONTACTS:

kozyreva_alla@tpu.ru

634050, Tomsk, Lenina Prospekt, 30, TPU ENIN

Phone +7(382-2) 701777 (1962) / Kozyreva Alla Aleksandrovna

Fax +7(382-2) 563-787

Organizational committee has the right to make changes in the text of information letter. In a case of changes a new text is to be sent to all participants registered at www.eegm2014.enin.tpu.ru via indicated e-mail and to be published at the web site of the conference as well
